<b>Agenda Item</b>	<b>Discussion details</b>	<b>Decision details (who will do it and by when)</b>
Letter to the Editor	<ul style="list-style-type: none"><li>Letter was mailed to approximately 150 newspapers in KY, DPP programs and included in information given to legislators for Diabetes Day at the Capitol. KDN attendees were asked to let KDN members know if they saw this within their newspapers.</li></ul>	<ul style="list-style-type: none"><li>Content may be used for blogs, social media, but <b>NOT</b> the names/signatures. We only have permission for names/signatures on Letter to Editor.</li></ul>
Public Service Ads-KY specific	<ul style="list-style-type: none"><li>Sherry Adkins reported that she had spoken with Liz Everman. Ms Everman has agreed to help lead us through the process. Some points to consider... Network will want ownership of PSA. Would it be better to go through KET? Janice noted that KET was asked this about a year ago --- but it was not</li></ul>	<ul style="list-style-type: none"><li>Sherry will update us as Liz Everman's suggestions at next DPP workgroup call in May.</li><li>Janice can send Kim and Beth the KET email in case we should ask KET about filming again.</li></ul>

	<p>possible at that time. Janice will send the email from KET to Kim and Beth.</p> <ul style="list-style-type: none"> <li>• Karen Barnes reported an update on reaching Coach Calipari to participate: difficult to contact right now due to season, so no commitment yet. But we do have a contact, Chris Woolard (Associate AD of basketball operations) to go through after season over.</li> <li>• TRAIN is no longer an option.</li> <li>• Looking at partnering with a University. Elaine Waters to contact Eastern KY University to see if their media department would be interested in assisting us with PSAs.</li> </ul>	<ul style="list-style-type: none"> <li>• Elaine will contact ECU.</li> </ul>
<p>Review of 2016 accomplishments</p>	<ul style="list-style-type: none"> <li>• Web-based listing for public access of new DPP classes has been developed and has now been included in its own category within the <b><i>KY Diabetes Resource Directory.</i></b></li> <li>• Letter to the Editor mailed to approximately 150 newspapers, DPP programs, and included in information given to legislators for Diabetes</li> </ul>	

	<p>Day at the Capitol. Letter addresses prediabetes awareness and resources and encourages readers to take the One Minute Risk Test.</p> <ul style="list-style-type: none"> <li>Statewide DPP Training Plan-included 3 national trainers as well as an online training implemented in first half of 2016. <ul style="list-style-type: none"> <li>March 30-31 Madisonville (AADE) 13 new coaches trained.</li> <li>April 28-29-Hazard (Marshall Univ./Univ of Pittsburg) 14 new coaches trained.</li> <li>May 9-10-Shelbyville- 19 new coaches trained.</li> <li>Online <i>Solera Health</i>-in progress.</li> </ul> </li> <li>Recommendations related to DPP submitted to Theresa Renn for the 2017 KY Diabetes Report.</li> </ul>	
<p>Review of 2017 goals</p>	<ul style="list-style-type: none"> <li>Strengthen efforts to prevent the development of new cases of diabetes through evidence-based initiatives such as the DPP.</li> <li>Strengthen efforts to diagnose prediabetes</li> <li>Support policy changes to improve outcomes for persons with prediabetes.</li> </ul>	<ul style="list-style-type: none"> <li>Suggestion made to change second goal to “Strengthen efforts to diagnose prediabetes and increase provider referrals to diabetes prevention programs”.</li> </ul>

<p>Plan for AMA toolkit and pamphlet library</p>	<ul style="list-style-type: none"> <li>• Goal for 2017...increase awareness of AMA/CDC Prevent Diabetes STAT toolkits available to assist in educating providers about the DPP (include other key resources such as DPP CPT code information and June 2015 KMA DPP Journal Article).</li> <li>• All above mentioned materials distributed to all workgroup members present for review.</li> <li>• Suggestion made to have business cards with each DPP's contact information. This would make it easy for PCP to refer to our programs.</li> <li>• All members asked to review and offer ideas on how to distribute and utilize these tools.</li> </ul>	<ul style="list-style-type: none"> <li>• How best to distribute and use these tools will be further discussed on next DPP workgroup call in May.</li> <li>• Matt with <i>Bridgespan</i> reported they are working with <b>AMA</b> in Colorado, North Carolina and KY to raise awareness, assist in setting up EMR referral, and utilizing toolkits. Matt agreed to keep this workgroup involved with these plans.</li> </ul>
<p>KDN webpage for DPP</p>	<ul style="list-style-type: none"> <li>• Group pleased that DPP workgroup will have it's own webpage on new KDN site when released.</li> </ul>	
<p>Support for KY Diabetes Prevention Programs</p>	<ul style="list-style-type: none"> <li>• The group identified a gap in knowledge and experience in developing a successful DP program.</li> <li>• It was noted that DP programs that were a part of the AADE/CDC grant had a lot of extra support</li> </ul>	<ul style="list-style-type: none"> <li>• Tools suggested... CDC webinar (Diabetes Impact Toolkit , <a href="https://nccd.cdc.gov/Toolkit/DiabetesImpact/">https://nccd.cdc.gov/Toolkit/DiabetesImpact/</a> ) DTTAC <i>Common Ground</i>, new KDN DPP</li> </ul>

	<p>from the AADE that other DP programs did not receive.</p> <ul style="list-style-type: none"> <li>• New reporting platform (DAPS) from AADE was discussed and what a great resource AADE has been to the grant DPPs. Someone mentioned Chronicle with ADA also has a new feature for possible use for DPP data collection/ reporting.</li> <li>• Kim Bayes will work on developing a DPP quick reference guide to help support KY DPP coaches.</li> <li>• How to be a successful DPP included incentives, marketing, retention, what's working, what's not.</li> <li>• Survey suggested with a few brief questions to help identify what makes a successful DP program.</li> </ul>	<p>webpage, AADE Prevention Platform.</p> <ul style="list-style-type: none"> <li>• Janelle Schnake was recommended to assist Kim with quick guide.</li> </ul>
