Today's Recorder:

Today's Reporter:

Members Present: Betty Bryan, Alex DePriest, Lois Hill, Merrit Bates-Thomas, Maggie Beville, Gary Dougherty, Anne Berry, Rebecca Hartsough

Agenda Item	Discussion details	Decision details (who will do it and by when)
Introduction s		
Diabetes Day at the Capitol	<p>Date: 02-20-20</p> <p>Partnerships: ADA, Camp Hendon</p> <p>Legislation: Bentley Bill to cap insulin prices at \$100</p> <p>2019 report – page 15: recommendations for the Legislature -consider meeting with your respective legislators, but also those who are active on appropriate committees</p>	<p>We have partnered with KAND; jointly; Capitol rotunda has been reserved;</p> <p>Reita to provide details on how we can best way to target specific legislators on specific committees</p>

	<p>Improvements: increased collaboration with KAND; provide more information specific to region/district; targeting legislators for more impact – getting constituents from each area or plan to have someone drop off materials from each district; provide an infographic; if no one from that district is present, have someone from KDN leadership supply packet</p>	<p>Betty to develop a list of key legislators and counties. Will provide by December.</p> <p>Continue to foster positive relationships with RD and RN intern programs to improve attendance from different counties throughout the state. Pair up those students with more experienced members to optimize meetings with legislators.</p>
<p>Standardization of language used regarding diabetes</p>	<p>Impact/burden of diabetes within the state/county – critical need to have standardized language around diabetes</p>	<p>Jamie Lee and Merritt to have language standardized prior to next meeting.</p>
<p>Future legislation r/t Colorado</p>	<p>Michigan has 2 bills that were introduced on 6/11/19.</p>	
<p>H.R. 1840</p>	<p>AADE Advocacy Sheet distributed. Other bills: TROA (Guthrie)</p>	

Brainstorming for the future:	Invite Senators to attend meetings-consider Guthrie
