Agenda Item	Discussion details	Decision details (who will do it and by when)
Conference Calls for the year	<ul style="list-style-type: none">▪ Increase participation, dates marked for the entire year- what about meeting invites in outlook	<ul style="list-style-type: none">• Beth will send the meeting invite including agenda and rsvp for the August Meeting.
KY State Engagement Meeting	Medicare <ul style="list-style-type: none">• With Anthem in the insurance, they looked at current organizations. Might determine how many organizations there are eligible.• Medicare benefit that workgroups might want to	

	<p>tackle the implementation – advocate for changes in the system to make it easier</p> <p>Medicaid – pretty far from implementation. There are 1-2 states that are covering.</p> <p>Workplace – increase participation of organizations as paid benefit. Also discussed virtual – we are now covered in every county through virtual.</p> <p>Call to action – timelines were set and workgroups set up for a variety of projects</p>	
PSA	<p>Group in Green County (Karen Compton) that has done a PSA, we decided to use that one and modify.</p> <p>30 second video script presented and mentioned there is some misinformation in scenes 3-6. Would like more time for the resources pop up. It was also mentioned</p>	<p>Get the script to where we want it.</p> <ul style="list-style-type: none"> ● Changes were made on the script. Beth will type changes below and present to Karen Compton by mid-July. ● Scene 1 <ul style="list-style-type: none"> ○ It is a condition not disease ○ Take out the word glucose and state blood sugar ● Scene 3 – prediabetes can effect everyone and show a group of people including all ages ● Scene 4

	<p>that it was a boy – would be more appropriate for an adult.</p> <p>Recommended that since their needs to be a reshoot – it is a good time to recruit additional models – it was suggested there be a mix.</p> <p>Our goal is to have it ready to shoot in fall. It would be in iMovie, and we do have someone able to translate it.</p> <p>Goal is to have it ready by September, and also get the piece on social media and TV stations. We would need to purchase air time for TV presentation.</p>	<ul style="list-style-type: none"> ○ Has no symptoms ○ Include risk factors ○ Flash scene of the test ● Scene 7 – keep it's not too late – you don't need medication ● Scene 8-9-10 <ul style="list-style-type: none"> ○ It is an and not or ○ Add eat a healthy diet to help work to lose weight by eating a healthy diet and start exercising every day. We also talked about the picture be outdoor walking not treadmill. ○ Most importantly talk to your doctor about this – show 'take the risk test on dolhaveprediabetes.org or visit KYDiabetes.net <p>We would like to be able to add to our site with one click and also do a share ability. Our new webmaster may be able to make it accessible.</p>
<p>Ongoing Projects</p>	<p>The 3 quick guides were presented to the group.</p> <p>KY DPP Quick Guide</p> <ul style="list-style-type: none"> ● Add KY information and resources for certifying coaches 	<p>Janice Will do MDPP, Terry will update NDPP, and Beth will do Post Training forms prior to next call August 13.</p>

	<p>MDPP Quick Guide</p> <ul style="list-style-type: none">• Add pay for performance standards and link to see the reimbursement schedule.• Complete activity for row 5, 6, 8, 11 <p>Post Training Guide</p> <ul style="list-style-type: none">• Add be careful to start the classes before the 1st date of your recognition month or your recognition is delayed 6 months.• Add information for rows 3-8.
