Current NDPP stats	Current KY stats reviewed	
Anthem & Solera	Julie Brown – update for KEHP members. Julie also shared that go365 wellness program will be ending December 31 st . Please submit any pending go365 points to Julie ASAP. Solera – Matt Presley, Jeanine Meagher introduced. Matt gave overview of Solera partnership & contracting with Solera. Forty -four WW	

	<p>locations, YMCA, & 8 digital providers. Encourage on-site classes. Began September 1, 2019. Reaching out to KEHP members with Risk test with referral to NDPP provider. Must be Solera contracted provider in order to be reimbursed for KEHP members. Q & A sheet provided.</p>	
<p>Project Update</p>	<p>Green County HOSA (Future Health Professionals) pre-diabetes PSA. Handout given re: how to promote the PSA. Info on KDN website. How to promote this PSA on TV stations? Letter to give to TV stations reviewed. Revisions noted. Goal to promote during November.</p>	<p>Jamie will contact Karen Compton to see if HOSA groups statewide could/would promote the PSA statewide with local TV stations. Also, clarify what acronyms stand for. Would Karen's daughter be able to manipulate sound to add the website at the end for the audio version—possibly cut the train part out. Matt (Solera) may be able to promote with KEHP members. Promote to health departments and health coalitions for social media pages. Will add info about November Diabetes Awareness Month to letter and possibly infographic. Beth will check with Linda Lady, and Whitney will send to KY Primary Care Association (FQHC's and Rural Health Clinics) to see if can run on TV's in provider offices.</p>

		Sherry will check to see if can run on KET (Laura Grouger may be contact person).
	How to report/track ongoing activities? Billboards will be tracked.	Survey monkey could be developed and possibly added to KDN meeting registration. Will clarify who will be receiving the monthly reports for the billboards.
	Homework – KDN Webpage	Before next conference call, group to look at KDN DPP webpage and give input on the layout of the page. Will discuss on November 18 th call. If can't participate on call, email feedback to Beth or Jamie.
	STEM meeting – statewide meeting approx. 1 year ago to work with stakeholders about promoting DPP. First meeting was with Medicaid. Yet, little has happened re: strategic plan for past year. Leadership of this will meet in November & workgroups possibly in January 2020. Appleshop does lot of work with Appalachian population & culture; do media, storytelling, etc. Project to get DPP awareness message for the Appalachian audience.	Group representative possibly attend the November meeting or leadership report will be given at November conference call or December KDN meeting.
