<b>Agenda Item</b>	<b>Discussion details</b>	<b>Decision details (who will do it and by when)</b>
Attendance sheet	Attendance sheet sent around	Sheet to be updated as it is signed; introductions done per member
Provider referral packet	Kim DeCoste has letter.	Follow up still needed by Deanna; Kim has letter and will bring it next time; she will also send to Deanna
Infographics	Infographics shown and use discussed: Have Diabetes? Etc. Are in pamphlet library to be ordered as needed	Infographics shown and use discussed. Have Diabetes? They are in the pamphlet library for you to order as needed. Deanna to check on estimates/costs for posters and if can be ordered.
Prescription pads	Prescription pads Template is available to review: allows MD to check for DSME and other things. This is not a referral form; this is to get the patient to come to class. For MD to give to patients to	The Board of directors were to pilot the RX pads. DSME group wants an outcomes report from them. They need to let this group know what they think. Can print your own from the website. We want to move forward in order to start printing them.

	show he/she values them.	
Evaluation of tool's effectiveness	Becky reported that we get requests from other states for items in the pamphlet library. People's email addresses are collected. Library is very stocked.	Before reprinting the form, it is reviewed. Check out the library.
Pamphlet library	Pamphlet library reviewed by Becky; can request any forms; you don't have to part of a health dept.	Please look at the KDN site for what this group has done.
Tool Kit	All need to review and discuss at September's meeting.	Check this on the KDN Website. Look at this as well. Let's plan to discuss all that's on the website and lets discuss next time
Stanford Tobacco Prevention	Info shared: This tool kit includes vaping; has powerpoints and handouts, etc.	Plan to review this on your own. It has good info to share.
Utilization of the DSME toolkit		Would like a report from the Board on the prescription pad pilot and hits on what's been ordered.
KEHP	Kim DeCoste shared the good news that KEHP is now looking at providing DSME (like DPP)	Would like reports on this each meeting.
