

Kentucky Diabetes Network

Workgroup Meeting Minutes: Partnerships and Networking
December 6, 2019

Work Group Chair/s: John Bunton and Will Hancock

Today's Recorder: Will Hancock

Today's Reporter: Will Hancock

Members Present: Pat Ryan, Wanda Atha, Will Hancock

Agenda Item	Discussion details	Decision details (who will do it and by when)
Lions Club Screening in 2020	Pat reiterated that the Lions are looking for additional screening opportunities for 2020.	Lions want to expand their screening grant to cover the entire state of KY in 2020. Future grant funding will be dependent upon the use and success of the current grant funds.
Other Groups that might be interested in screening events	County Extension Offices; Senior Centers; Pikeville DO School for EKY impact; Community College in Somerset; Nursing School at University of the Cumberlands;	Pat will begin reaching out to Senior centers found at seniorcenters.us .
Pat leaving to Chair Community Outreach	We discussed that Partnerships and Networking should focus on recruiting new organizations into KDN, and the Lions project has progressed to the point where it should be considered Community Outreach.	

<p>Other organizations that should be here</p>	<p>Where are the representatives from managed care organizations at KDN? Why don't Health Departments across the state have their Diabetes Educators here? Hospital discharge planners. Representative from UK and UoL Endocrinology departments.</p>	
<p>Approach the new Secretary for the Cabinet for Health and Human Services</p>	<p>Would be nice if the new Secretary would attend a meeting to show support</p>	<p>Suggested that John Bunton, Merrit, and other well-known influencers approach the Secretary and suggest better representation from across the state.</p>
