Symposium 2021

**November 5th,  
2021**

Two attendance  
options available

**Register Now!**

## **In person**

*Foundation for a Healthy  
Kentucky - Louisville KY*

## **Virtual**

*Via Whova Conference App*

Target audience: This activity is designed for individual or groups of diabetes care and education specialists, including RNs, RDs, Pharmacists, and other health care providers interested in staying up to date on current practices of care for their patients with diabetes and other related conditions.

Requirements for successful completion: For successful completion, participants are required to attend the full activity, and complete and submit the program evaluation at the conclusion of the educational event. Pharmacists must provide their date of birth (MMDD) and NABP ePID to receive credit. Pharmacist learners who fail to provide this information will not receive credit for this activity. Please check your NABP profile within 45 days of this activity to make sure your credits were uploaded.
