- Multiple levels of sponsorship to fit your organization's outreach budget
- CEs for diabetes educators, nurses, dietitians, pharmacists, and more

Sponsor and Exhibitor Packages

New and enhanced benefits provide greater recognition before, during, and after the symposium. **Sponsors** receive maximum visibility at all three statewide sites and year-round benefits. **Exhibitors** may select the individual locations that best fit their needs for the one-day event.

Sponsors are expected to have an in-person presence at all three locations. If a sponsor is unable to have a representative at all three locations, they are required to send informational materials and any giveaway items to the sites they cannot attend in advance to ensure full representation. Additional guidance will be provided prior to the event.
